Vienna 2015

11th International Conference on Semantic Systems

# SEMANTICS

## Vienna 2015

**Big Data / Linked Data**

**Data Science / Text Mining**

**Semantic Search**

**Knowledge Discovery**

**Taxonomy Management**

**Smart Content Management**

**September 15-17, 2015**

Vienna University of Economics & Business

The annual SEMANTICS conference is the meeting place for professionals who make semantic computing work, and understand its benefits and know its limitations.

Every year, SEMANTICS attracts information managers, IT-architects, software engineers, and researchers, from organisations ranging from NPOs, universities, public administrations to the largest companies in the world.
